EXPLORIT SCIENCE CENTER'S VOLUNTEER AUXILIARY

Who are "Friends of Explorit?"

Friends of Explorit are those members of the Explorit Science Center who have chosen to be part of Explorit's volunteer auxiliary.

What do "Friends" do to help the Center?

Most Friends of Explorit support the Center's educational mission by volunteering their time on one or more project teams (see below).

The work of Friends incurs costs and so those Friends who wish may make donations to the auxiliary that are separate from, and in addition to, their Explorit membership dues.

NOTE: If you are not currently a member of Explorit Science Center we encourage you to renew or join but this is not required. (www.explorit.org/about.html)
