

Become a Team Player

The Science Challenge is a dinner and live science quiz game that pits teams against each other in a fun and fast-paced environment to raise funds for Explorit Science Center. Each year, about 40 teams enjoy dinner and compete in the Challenge.

- Pick your division: Serious Scientist or Just For Fun.
- Teams of eight will compete in six themed rounds of five multiple-choice questions.
- Team Spirit Prize: Come dressed as a sports team or crazy fan!
- Expert Auction: Teams can bid on a science expert to help boost their scores.

Be a Game Changer

When you purchase a ticket or sponsor the Science Challenge, you are helping Explorit provide opportunities for children, adults and families so they can discover the world of science.

For 28 years, Explorit has engaged children and adults in hands-on science discovery through interactive programs, including family science nights and classroom visits. Explorit reaches two-thirds of its 65,000 participants through outreach in 17 counties.
